## **President's Message**

Happy New Year and greetings to all. As mentioned in the December newsletter, the officers for 2006 are the same as in 2005. They are: Linda Yarborough, President, Ben Brotherton, Vice President, Newsletter Editor, and Flying Start Coordinator, Bill Perry, Secretary and Treasurer, Jeannie Rudick, Young Eagle Coordinator, and Alex Yarborough, Airport Safety Volunteer.

We have many plans for 2006. I am not going to mention them now, you will just have to come to the annual banquet and hear them yourself. Speaking of the annual banquet---take note. Our banquet will be on **Thursday, January 26, 2006 at 6:30 PM.** We have to start a little sooner to get everything in this evening.

The banquet will be at the same place as last year---the Circle K club house on Lake Robinson. **Directions:** go up Lakeview Blvd. past the turnoff to the airport, past the Stop Light convenience store and keep going until you pass Spring Branch Baptist Church on the left. This will be 3.1 miles from the Stop Light Convenience Store. Take the next left turn (0.1 mi) after the church on Sail Club Road and go (0.4 mi) to the end of the road. The blue clubhouse is on the left.

The chapter will again provide the meat, paper products, eating utensils, and tea/soft drinks. If you want anything else to drink, feel free to bring your own. We are asking all members to

bring a side dish. If you have a favorite you want to bring, that's fine, otherwise go by this suggestion to allow for a variety. If your last name begins with **A or B, please bring a vegetable.** If your last name begins with **C through P please bring a starch.** If your name begins with **Q through Z, please bring a desert.**

We have also decided to try the gift exchange again, so bring a gift of about \$5.00 or so, hopefully aviation related, and we will do a swap.

We also plan to raffle off **100 gallons of aviation fuel** donated by Johnny Payne. Proceeds will go to Chapter 1058. We have divided it into three lots, one 50 gallon lot, and two 25 gallon lots. Raffle tickets will be sold at the banquet and the drawing will be the same night. The cost of the tickets will be decided by the number of people wanting to participate. How much would you be willing to wager to win either \$100 or \$200 worth of gas? Do we have ten pilots willing to wager \$25.00 each? Bring your money.

We are looking for a few members to provide the meal for a meeting during the year. Please consider taking a month and bringing the meal. It doesn't have to be fancy. The few who did this past year made our meetings much more enjoyable. This will be brought up during the banquet so please think about it and be prepared.

Thanks as always,

*Linda Yarborough*

## Letter From The Editor

There has not been much going on so far in January. We need to start planning events and get together for the upcoming months.

I have been very busy at my day job and this newsletter is once again running late. I have updated the website with the calendar and a few other updates. This letter is about a week behind schedule but I have already started on the February newsletter.

Please attend our Banquet on Thursday night for all our members.

## Young Eagles Corner

Happy New Year!! Wow! Another year and over 160 Young Eagles entered into the World's largest Log Book as a result of Chapter 1058! Way to GO GANG!! Now it's time to focus on 2006, set a goal, and get some more kids involved in aviation.

International Young Eagles Day 2006 is scheduled for June 10. Let's make this event our biggest ever in the number of Young Eagles flown. We will also have an opportunity to fly Young Eagles at Darlington County and Camden in the fall. Lee Gardner has volunteered to work with a local Boy Scout troop in earning the Aviation Merit Badge (which will include a flight). And hopefully, there will be other opportunities, big and small, for other Young Eagles flights. Just let me know how I can help and I'll definitely be glad to take care of the paperwork for you.

Later this year Young Eagles and Chapter 1058 will be featured in *Pee Dee Magazine*. More to come on which issue.

Thank you all for a fabulous 2005 and I really look forward to working with you in 2006.
