Come join us in Bishopville on October 7th, and this could be you...

October is looking like a busy month with the cooler weather and hopefully clearer skies. We are starting off the month on the 7th with a Young Eagles event in Bishopville. The Cotton Festival will be busing kids over to the airport for us to fly. We have ended up with a double date on October 21st. We are having a fly-out to the train trip shown in last month's issue and a Young Eagles event in Bishopville for the Ultra-light fly-in. We need all the members we can get for both events. Please let Linda, Jeanne, or Ben know if you are going to be available to help out on these dates.

President's Message

Our August meeting was a good catch up session and was nicely attended. Bob and Sandi Brown presented our chapter with a check for \$1,300.00, which is designated for Air Academy Scholarships. A mighty big THANK YOU for this generous gift. We will have to decide how the funds will be used and how to select the next recipient. For our September meeting, we will have a cold cut plate so come at 6:30 and enjoy.

EAA is again offering 2007 calendars of pretty airplanes. We have ordered a few in the past without much success. So, if anybody wants one, let me know and we will place an order. The cost is \$10.00 each.

Don't forget our commitment to fly Young Eagles at the Cotton Festival in Bishopville on October 7.

We are beginning to plan for next year and will be looking for new faces to help run our chapter. If you are willing to help in any capacity, this is the time to speak up. Our offices are: president, vice president, secretary/treasurer, newsletter editor, young eagles coordinator, and airport support network volunteer. We would like to see some support from all members. None are real hard, and there is always help, so please speak up.

Thanks, and see you on Tuesday night, September 26 at 6:30.

Linda Yarborough
President, EAA 1058

Letter From The Editor

I am going to keep this short and sweet, we have a busy month in October and look forward to seeing all our members participate in some of the upcoming events. Come join us at our meeting which is usually the last Tuesday of the month, but in October, that is Halloween, so we are moving it a week earlier for October. Join us for our September meeting which is at 6:30 and on the usual last Tuesday of the month, the 26th.

October 21 – Great Smoky Mountains Railroad Plane, Train, & Automobile Ride. Depart HVS at 9AM sharp!

October 22- SCBC Breakfast at Timmonsville (58J)

Future Plans

We need to start working on plans for next year. We are following the same plan as in past years that we are not having a meeting in December, but will have our banquet in January. We need to get some flying destinations on the list for this fall with the great weather coming up with cooler temperatures. Let's get some local destinations setup and plan to attend some of the breakfast clubs meetings.

We already have plans for next year's Young Eagles day in June and are looking for more suggestions.

Our touring group has decided to plan a LONG cross-country trip and go to Oshkosh this year instead of Sun-N-Fun in Florida. Let's start getting these plans finalized and we need to get our rooms/vehicles booked and ready. Please let one of our officers know if you are interested in joining our convoy to Oshkosh.
