A good portion of our EAA chapter will be attending Airventure in Oshkosh, Wisconsin this weekend. There will be lots of pictures and stories to tell from the trip. Join us at the meeting on Tuesday, July 31st at the hanger to hear the travel adventures of EAA 1058.

President's Message

I've been busy getting everything together for the fly-up to Oshkosh. Sorry to cut it short, but Ben and I have been busy getting all the planning together for the trip and Jordie too!! I'm looking forward to being at the largest aviation event in the world, so I've been told.

Ben and I made a day of it going to Sparkchasers with my plane for IFR certification check time. This is the second time that I've been there. They have a great airport up there. It was good to see Bobby because I don't get to see him much when he finished me up with my training. The ride up was smooth as silk, but coming back was bumpy.

If you're out and about, be careful of the storms popping up everywhere and get your weather reports before going out even just flying locally. Well, I hope to see all of you there next Tuesday. See you at 7:00 pm sharp.

Note: this isn't an eating meeting!!!

Jesse Allred
President, EAA 1058

Young Eagles

July has not been as busy for Young Eagles as June—but there has been some activity. Nine Young Eagles from the Hartsville Summer Police Academy—young men—were given a ground school briefing by George Roberts and then took to the skies, with lunch following the flight.

And Linda and Ben flew four cheerleaders from the Hartsville Middle School Cheerleader competition squad. Alex provided these young ladies with a ground school briefing.

Two groups are scheduled for the first week in August—Hartsville Summer Police Academy—young ladies and the Sumter Boys and Girls club.

So my report to you this month is that our numbers may be few, but we are continuing to promote the Young Eagle program and hope that you who are reading this article will “round up” some more kids to fly!!! The next big event on the Young Eagle calendar is the Cotton Festival in Bishopville on October 20th. I hope lots of you have marked this date on your calendar!!!!

It's a short article this month, but my thanks to you are not in short supply!!! You are the greatest and I thank each and every one of you for all you do for the kids!!!

Jeanne Rudick
Young Eagles Coordinator, EAA 1058
