## President's Message

I hope some of you have been enjoying the cooler weather for flying. The weather outside is great this time of year to take a friend up flying.

One of our members (David Brigman and Blake, grandson) received a proclamation for helping out some folks that landed at the Pageland Airport back in May of this year that were stranded overnight. The mayor of Pageland just recently recognized them at a recent meeting and also one of the townsfolk at the motel for putting them up as well. The next morning our member, David, took them to breakfast, then back to the airport to see them off. Folks, that's what it's all about, us helping one another out in the passion that we all so love to do, flying. I'll bring the article for everyone to read and maybe Ben can also have it featured in a future newsletter.

Jeanne is going to update us for the Young Eagles day coming up on October 11th, 2008 over at Butter's Field. If you haven't signed up to fill a slot, please call Jeanne and let her know where you can help.

We have an opportunity to help with a project with another EAA Chapter, 1132 in Camden, to assist in crating up some planes and other related material donated to EAA for the museum. Come on out and I let you know what's going on and lets see if this is something we all want to help with. I think it would be good for our chapter to help with such a project.

There isn't a structured topic planned for our meeting on Tuesday night, but I do want us to talk about future programs or projects. Please bring any ideas and if you want to sign up for a future program to do for a meeting, please let me know what night you want. I look forward to seeing each one of you this coming Tuesday at 7:00 PM sharp.

Also, Chapter Elections are just around the corner, please think about this and be willing to step up to the plate if you are willing to serve, more about this at the meeting. Thank you and see you at the meeting.

## Letter From The Editor

I am sending out an urgent plea for everyone to join us at the hanger on Tuesday night at the meeting and also on Saturday, October 4<sup>th</sup> in Florence at the airport, if you can schedule either date any way possible. It has been brought to my attention that the Florence airport needs help if we want to keep the facilities here operating. Please join us at the meeting on Tuesday night to discuss an action plan to make things work for the Florence facility. Mark Spurling and I will have more details at the meeting, but **immediate action**

is required by all local pilots to keep the tower facilities operating the way we have grown accustomed to. Please help us out with this urgent situation. I plan to see everyone on Tuesday night.

## Young Eagles Corner

Plans are full-steam ahead for the Fall Young Eagles Rally at Butters Field on October 11<sup>th</sup>. BUT there's still a need for YOU!! If you have not volunteered to help, an email or phone call would be most appreciated! There is an all-out effort this year to make this Rally the biggest ever—which means we need to be prepared for the large numbers of kids expected. Even if you are not available and have not communicated that to me, it would be helpful to know you are not available so I don't "bug you to death!" There is a special need for someone to be in charge of and work with the crafts area!

WOW! We hit the big-time twice this month! *The EAA Young Eagles Aviation Insider Newsletter for September* provided a link to the article Mark Blair submitted to *The Messenger* about the Young Eagles interaction with the Police Academy and *PA—Palmetto Aviation*—a publication of the South Carolina Aviation Association printed an article about Young Eagles that was written by Alex Yarborough—several photos were submitted with this article and four were printed! I'll have this publication for you to see at the September meeting! Great Job Mark and Alex!!!!

That's it for this month—again, if you have not communicated with me about the Rally at Butters Field, I would love to hear from you—even if you have to say "I already have plans, but I will be thinking and praying for all of you!"

## Upcoming Events

- Sept 29-** EAA 1058 Meeting at the Hanger Hartsville Airport – 7:00 PM
- Oct 3-5-** VAA Chapter 3 Fly-in in Camden. A great weekend of getting together with other pilots and planes to have a great time. This is what a fly-in event should be, everyone gets to talk with each other and not get tied up in programs.
- Oct 4-** Florence Airport – Pilots Luncheon by Mark Spurling. Come out and discuss the future of the Florence Airport. Your attendance is seriously needed at this noon meeting. Fly in if you can, Florence tower needs the flights on their log. Hear more about this at our Tuesday night meeting or at the lunch meeting.
- Oct 11-** Young Eagles Rally at Butters Field Flying starts at 10AM, ends at 2PM Everyone needs to be there by 9am, earlier if possible.

### **SCBC – South Carolina Breakfast Club Upcoming 2008 Schedule**

## A Final Note

### **It's Officer Election Time Again!!!**

Our EAA chapter officers are elected for a two-year period and January 2009 is the month new officers are to step up to the plate!!! If you are interested in serving in one of the "slots," please let Ben or Jesse know ASAP. The officer positions are: President, Vice President, Secretary-Treasurer, Newsletter Editor, and Young Eagles Coordinator.
