President's Message

Well folks we are starting a new year for Chapter 1058, let's make it the best one we have ever had. I hope that each of you will come out January 30th, 2009 for annual Banquet. It will be 7:00 pm at Mr. B's, the same place we had it last year. I have Mr. Tindall providing the program, please come join us for a great evening together.

Some have indicated that a new meeting night should be discussed. We sent a newsletter outlining this back in November, and some had suggested changing over to the last Wednesday of each month. Let's discuss this at the Banquet and see if we can make a decision. Also, please come prepared to sign up for a particular night to handle the program. I will have a calendar there for you to pick a night to sign up.

The officer's for the coming year remain the same with exception of Mark Blair. He is our new Secretary and Treasurer. David Dunsmore is going off and let's take time to thank him for holding the position that Mark Blair now holds.

I hope that everyone had a nice Christmas and a nice New Year's Eve. The weather hasn't been the best in the world for flying, but keep your eyes peeled, we might get a break from it soon, except for the folks that have their IFR ticket. Ben and Mark Spurling should have any updates to what's going on with Florence, tower, FBO, etc. They are discussing air space changes to class B up around Charlotte N.C., but I wasn't able to make the meeting they had the other day due to

health problems with my father and mother. My father had surgery to repair his left rotor cuff and my mother is recovering from a broken left leg and hip. Please keep them in your prayers.

Please bring any ideas and projects to the meeting to be discussed to see what may interest us as an EAA group. We also need to plan some fly-outs too! So Please mark your calendars now and don't forget to set aside time for the Banquet. You can pay this year's dues at the meeting so that you won't have to worry about it later. This will also help us to update our roster. I look forward seeing each of you.

Jesse Allred

President, EAA 1058

Letter From The Editor

I am looking for ideas to rebuild our website, please send me anything you have that would be an addition to the site. I am also modifying the site to allow others to post to it to keep it active and fresh.

Ben Brotherton

Newsletter Editor, EAA 1058
