It's been great weather, get out and fly if for no reason other than to go sight seeing.

Enjoy the gift of flight that has been granted to so few of us, don't forget to appreciate the gifts that our lord has provided to us. Learn to appreciate the world we live in and never take our freedom for granted, large portions of the world do not have the freedoms we enjoy.

President's Message

At our last meeting we got to hear from three speakers that Jeanne arranged to come out to tell us about the Aviation Detachment Wing of the State Guard set up to help during emergency response when there is a catastrophic event. See Jeanne for more information if you're interested. Jeanne was also inducted into the State Guard as an officer, sorry I can't remember the rank.

I hope to see each of you at the next meeting. We are having a cookout and our Spot landing contest. We did this a couple years ago and had a lot of fun. Jeanne won the prize the last time, but I'm going to get in some practice and come after her. We have the rest of the year planned out, just look for the events planned at the end of the newsletter, Ben has been including them so you will know what's going on. Please show up at 6:30pm for the cookout portion and the spot landing contest to begin shortly after 7:00pm. Look forward to seeing each of you.

Jesse Allred
President, EAA 1058

Young Eagles Corner

Young Eagles are still soaring the skies over Hartsville!!!!

On July 7th, 11 female cadets from the Hartsville Police Academy visited the Hartsville Regional Airport and were treated to a ground school led by Linda Yarborough and then flights around the area flown by Alex Yarborough and me! Even some of the Police Officers decided to get in some flight time with two of the Officers making their very first flight!!

On July 17th, 15 campers from the Hartsville Boys and Girls Club came over and were given a brief ground school by yours truly and then to the skies they went flying with Alex Yarborough and me! I saw two of the campers

downtown later in the day with their Mom and they were still grinning from ear to ear and introducing me to their Mom as their pilot! Folks, this is what it is all about!

Other special events for flying Young Eagles this summer have been scheduled for:

August 4 Hartsville Police Academy (boys)
August TBD Timmonsville Boys & Girls Club

In May I reported that The Darlington County Library System had requested aviation programs to be presented at each of the four libraries during their summer reading programs. Two of these programs have been held--Society Hill (6 kids) and Darlington (40 kids). My Grandson Christian assisted me in making these presentations and in helping the kids make airplanes--two in fact--one from candy and one of paper and a penny! The final two programs are being held July 21 in Lamar and July 22 in Hartsville.

It's a great time for flying and I hope you will find an opportunity to take a kid flying! I'll be glad to get you the Registration Forms if you need them!! CALL ME!! And if you know of a special group that would like to fly, just CALL ME!!

Jeanne Rudick
Young Eagles Coordinator, EAA 1058

Upcoming Meeting Events

Please come join us on Tuesday night at 6:30PM at the hanger. Come earlier and enjoy time outside with airplanes. We are having a cookout and flying contest at the Hartsville Airport on Tuesday night.

We are trying something a little different at this meeting. We will have a grill to cook on, are providing the extras, and you bring whatever you want cooked on the grill for yourself. I will have some extra hot dogs for anyone who doesn't bring something, but if you want something better, bring it yourself... ;-)

Hope to see everyone on Tuesday night. After dinner, we will be having a spot landing contest on the runway. Come join us for some fun times together.

This is a list of what we have planned for the meetings the rest of the year. Let me know if you want to see any additional programs provided by our chapter.

July-	Cookout & Flying Contest
August-	Lake City Dinner Fly-out
September-	Guest Speaker
October-	City Airport Representative - HVS
November-	Open
December-	Christmas Fly-out to Alabama Theatre
